# Fifth World Congress on the Abdominal Compartment Syndrome

*Make a difference in your patient's life!*

August 10th-13th, 2011 - Disney's Yacht & Beach Resort - Orlando, Florida

Join us for an exciting scientific symposium on the prevention and treatment of intra-abdominal hypertension and abdominal compartment syndrome while vacationing with the entire family! Learn how you can significantly improve your patient's survival from critical illness. You (and your family) won't want to miss it!

**August 10th-13th, 2011 - Orlando, Florida, USA  
Disney's Yacht & Beach Resort**

**For further details, go to [www.wsacs.org](http://www.wsacs.org)**
